

COURSE: GDPR Foundation

Why should you attend?

GDPR Foundation training enables you to learn the basic elements to implement and manage a compliance framework with regard to the protection of personal data.

During this training course, you will be able to understand the fundamental privacy principles and become familiar with the role of the Data Protection Officer.

After completing this course, you can sit for the exam and apply for a “PECB Certified GDPR Foundation” credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.
